

NEW MORNING QUARTET feat. special guests **DAVID FIUCZYNSKI & OZ NOY**

NOW AVAILABLE FOR CONCERT BOOKINGS

The NEW MORNING project emerged in 2007. Drummer, composer & producer Jeroen Vrolijk assembled his favorite musicians in New York to record the debut funky jazzrock / fusionrock album New Morning, including guitar wizards **David 'Fuze' Fiuczynski & Oz Noy**, and bassists **Fima Ephron**, and **Tim Lefebvre**.

The NEW MORNING TRIO, consisting of Oz Noy, *Buckshot Lefonque* bassist Reggie Washington, and Jeroen Vrolijk toured the Netherlands in 2009 with their powerhouse funk. The tour included the famous Amsterdam BIMhuis.

The successful debut album ("*A Strong new sound, firmly rooted in Jazz. Energetic Funk 'n Jazz Grooves. Thelonious Monk meets Jimi Hendrix.*" - Straight no Chaser magazine) will be followed up by the 2nd New Morning CD, aptly titled *The Optimist*. It's an electrifying, funky album. The 1st album is currently Album of the Month at the American based web shop Abstract Logix.

NEW MORNING QUARTET is available for concerts in Europe (in May & October with David Fiusczynski, in July with both Oz Noy and David Fiusczynski on guitars).
